ICIS Innovation Awards 2010

The ICIS Innovation Awards is an annual awards competition, now in its seventh successful year, that recognizes outstanding achievement within the chemical industry.

The awards are given for:

- Best product innovation
- Best innovation by an SME
- Best business innovation
- Best innovation in sustainability/corporate social responsibility

Through sponsorship of the ICIS Innovation Awards, you will be able to:

- Associate your brand with innovation in the chemical industry
- Enhance your thought leadership reputation
- Gain visibility for your brand through extensive marketing of the ICIS Innovation Awards over six months, both online and in print
- Have a presence in the special supplement that announces the winners of the ICIS Innovation Awards and attendance at the Awards luncheon.
