

EG TV and video production

Showcase your brand in an engaging and interactive format

About EG TV and video production

EG TV is the market-leading commercial property TV channel in the UK. It provides cutting-edge journalism which is valued by viewers all over the world and offers great advertising opportunities for industry video content.

estatesgazette.com has exclusive access to the EG TV production team and as a result is able to offer the following video based services to our clients:

What we offer

- Scheme videos
- Corporate videos
- Viral videos
- Webcasts and webinars
- Event coverage
- Recruitment initiatives

Our services include

- A full production service
- Consultation service before final edit so you can choose best footage
- Delivery of film in your chosen format and hosting on EG TV

Video
