

Company reports tip sheet

What are Company Reports?

Company reports provides detailed information on every UK registered company.

- What is their credit risk?
- What are the details of the company's financials over the previous three years?
- Who owns the company?
- How many employees are there?
- What are the company's primary business activities?
- How many trading sites do they have?
- What are their addresses and contact telephone numbers?

How can Company Reports help me?

- Assess the credit risk of a company you are considering entering into a financial agreement with
- Assess the covenant strength of a potential tenant
- Consider the financial risk of a potential landlord
- Find out the parent organisation behind a company
- Discover how long a company has been trading for
- Find out its trading status and how many sites they have

Where does Company Reports data come from?

- Experian

Company reports tip sheet
