KEY WEST SCOTLAND ROUTES - SERVED BY CALMAC

ISLE OF WIGHT

(NORTHERN SPAIN)

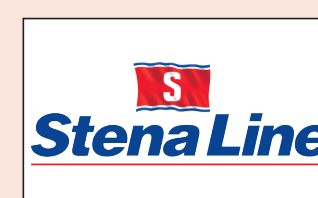

DFDS operates four ferry routes from the UK to France and Holland, including Dover to Calais and Dunkirk, Newhaven to Dieppe and Newcastle to Amsterdam. With up to 62 daily sailings between the UK and the continent, modern vessels and superb onboard facilities, your holiday starts as you drive onboard. DFDS's dedication to excellent customer service has seen the company awarded the prestigious title of World's Leading Ferry Operator from the World Travel Awards for five years running.

dfds.co.uk

With P&O Ferries you can be sure to travel your way. We offer five routes and a choice of 68 daily sailings from the UK to the Continent and Ireland - from Dover to Calais, Hull to Rotterdam or Zeebrugge, Cairnryan to Larne and Liverpool to Dublin. We also pride ourselves on our excellent customer service and onboard facilities and were delighted to have been voted 'Best Ferry Operator' at the Globe Travel Awards by the readers of *Travel Weekly*.

Hogia is a standard software supplier, providing ferry operators with reservation systems, advanced real-time passenger information systems and other transport-related solutions. We aim to develop solutions that will enable operators to improve the traveller's experience, from booking to informed arrival at the final destination. We work in partnership to reduce the people-power needed to provide the services, enabling key staff to focus on delivering the very best passenger experience.
