

Brand New Cruising for Excellence Online

Taking online training to another dimension

- Stunning virtual ship environments
- Specialise and become a brand “Captain”
- Learn faster than ever before with shorter modules
- New Admiral status for cruise specialists
- New interactive Geography game
- Earn Nautical Points and work your way to the top of our leaderboard

It's the closest you'll come to being on one of our ships, without actually being on board!

Flowrider®

Lawn Club

Prime C

Cruising for Excellence Online

With a number of virtual ship locations to choose from, learning about our three fabulous brands has never been more interactive - or more fun. What's more, it's guaranteed to help you increase your sales and give you the skills to sell the right cruise to the right guest!

Learn all about **Royal Caribbean International's** amazing onboard activities with a module that takes place right next to the Flowrider® - the first ever surf simulator at sea.

Discover the unique onboard experiences that make **Celebrity Cruises** a cut above the rest with a module that takes place at the Lawn Club.

Become an expert on **Azamara Club Cruises** with a module that takes place in the beautiful Prime C restaurant.

And that's not all...

- To 'VisitUs' click through to our registration site for ship visits, training events and virtual classrooms
- To help you sell, download sample PDFs of various onboard packages and other helpful information

Not sure where to find us?

It couldn't be easier. **Simply log into cruisingpower.co.uk**, click on the Cruising for Excellence Online banner on the bottom right, and you're there.

Why not continue your learning today and discover how we've made training plain sailing - virtually!
